Debby, how can I put in words how much I miss you. I miss you calling me and asking me what I am having for dinner or what am I going to do later in the day. I miss telling you I will call you in a couple of hours. I miss just chatting away about a thousand little things. I miss you telling me all about your day. I miss telling you about how much I love you. I just plan miss you. I take comfort in knowing in my heart that you are in Heaven with Mom, Dad and the boys. I also know in my heart that someday I will see you all again. I love you Deb to the Moon and Back!
