To the Scribner family, your mother/mother in law/ grandmother and wife was a beautiful woman with a beautiful soul. She was always proud of her Minnesota family and all of you. She loved Bob (her husband) very much as well as her children and grand children. Her students were her number one priority while working at MSD. She was a very creative and patient teacher (I have never seen her angry with a student)! I had the pleasure of working with her many years, she will be missed! Marsha Flowers
