Joann Sensenig. What a blessing God wrought in bringing you into our world. I know you are with the angels, your mother, your father and at perfect peace. I am grateful for the 20+years I was able to laugh, love and live in your orbit. It was my truest pleasure to see you with your grandchildren, how they looked up to you and were able to be with you so often. The thread of love you wove in our lives will hold us until we can see you again. Fly high, kiss the face of God and we will see you soon.

So sorry to hear of JoAnn's passing. I remember her very well growing up next to her father, Mr. Fulmer, and her kind and caring personality. I'm sure she and my mother have reunited up there in heaven! My prayers are with the family and may our LORD bring you peace and comfort!
