Betty was my oldest sister and also my godmother. I remember how excited she would get when introducing me to all her coworkers and friends. She always made sure everyone felt loved. Not much for small talk (a feature I liked about her). I only wish that we had more time together. I love you Betty, don't you worry about Hailey, we've got her. Just keep watch for us up there. ♥

Words fail me as I think of the loss of my old friend. She was a good friend - a rare commodity. Her laughter, sense of humor and kind nature have always been her gifts to those who loved her and those she loved. We had many happy days growing up. Love to all of you , Laurie (Tellefsen) Cicalo.
