Doug, please accept our deepest condolences on your loss of your beautiful Adriana. We are your neighbors up the street and we often waved to Adriana as we passed by. You two showed us the progress on your deck and Adriana showed us her garden. She was so happy! She's at peace now. Please be strong. Sincerely, Vee and Bernard Garcia

Doug,Very sorry for your loss. Adriana's sweetness, kindness and diligence made you a better man. She will always be with you as you continue living the ways you lived together. Knowing you and knowing you with her, I know your heart and your being is so anchored you can barely move. I pray for Adriana and you, and suggest that anchor will also keep you from going too adrift. Adriana truly loves you, I mean she is a Colts fan. That is unconditional love. Love you and wish you serenity.
