## O bituary

Ms. Kelly Nicole (Meadows) Serra, 37, of Frederick, died unexpectedly on July 29, 2020.

Kelly was born April 29, 1983 in Washington, DC, the daughter of Harold and Dottie (Cullop) Meadows of Frederick, MD and formerly of Poolesville, MD.

Kelly graduated from Poolesville Jr. Sr. High School in 2001 where she participated in sports, poms and majorettes. After high school, she worked in early childhood education for many years as a certified teacher assistant. She also went on to receive her licenses as a medical assistant and registered massage practitioner.

Kelly was creatively artistic, poetic, and deeply spiritual and was active with many church missions. She had a kind soul and would often give anything she owned to anyone she thought in need. She was a free spirit and could light up a room with her humor and laughter. Her heart and passion was being a mother to her two children.

In addition to her loving parents, Kelly is survived by her children, Peter Vincent Serra IV and Parker Andrew Cubley; sisters Pamela James and husband Jeff, and Angela Meadows and husband Edward Milum; nephew Shayne James and wife Christine; and a large family of aunts, uncles, cousins, nieces, nephews and many friends. Kelly was preceded in death by her nephew and godson Dakota Leo James.

Visitation will be held from 11AM to 1PM on Monday, August 24th at the Resthaven Funeral Home & Community Center, 9501 Catoclin Mountain Hwy. in Frederick. A memorial service will begin at 1 PM; Pastor Kenneth Fitzwater will officiate. A private interment service will be held at a later date.

I just saw Kelly's picture in the Poolesville Monocle. I'm so sorry that she has passed away. I think she worked at a daycare center where my daughters, Emily and Sara, went in the early 2000s. Then she worked as a massage therapist in Poolesville. She was a lovely young woman. Such a tragic loss. My condolences to her family and friends.

- Kelly, I still can't wrap my head around this. I know we haven't talked for many years but we were best friend for most of our lives. I will never understand how we started down the same journey but ended up on 2 different paths. I keep playing the memories of us; how our parents would surprise us with visits from one another to the completely insane (but we thought brilliant) stunts we pulled. We were ALWAYS up to no good but had so much fun doing it. I often thought of you and our childhood. I had hoped that one day we would be in each other's lives again but life is too short. Throughout our lives you've always kept your faith, it never wavered and always gave you comfort. I'm glad you were able to hold on to that during your journey through life. I know that because of your faith you're able to be at peace now. I will always remember our stories and be grateful that we spent most of our childhood laughing. I will never forget our laughter. RIP Kelly
