I worked with Ann at Southern States Frederick Cooperative, Inc. Ann was a real joy to work with and I was sorry to see her leave. I am sorry to hear of Ann's passing, and sorry I hadn't known of it sooner, I would have liked to be at the funeral. It's been almost twelve years since I was transferred to the Gettysburg Southern States and lost touch with most all the employees at Frederick. Ken and Andy you have my sympathy and prayers. Ann was a real pleasure to work with, always coming up with some creative ideas especially around Christmas.

Dear Mr. Crone and Andy: I knew Mrs. Crone from the veterinary clinic where she brought Ruby and Sapphire. She came in often and always made sure we were taken care of with snacks, "an afternoon" treat she would call it. She would say "everyone needs a little pick me up in the afternoon so her is your afternoon treat." It was very evident she lived a life of caring for other. She was one of my favorite clients. She will be missed by all of here at the clinic.

I knew Anna from the veterinary clinic her and her husband bring their pets to. I work at the front desk and had the pleasure of helping and speaking to her many times. She was always just such a sweet person with such a calm, happy personality, always thinking of others before herself. And I know she loved her pets very much. She also always made sure we had treats, cupcakes to be exact. Even when she was in the hospital she made sure her hubby stopped and brought us cupcakes when he had to stop in for something for their pets. Even then, when she should've been focusing on herself and healing, she was thinking of others. I will never forget her and I wish I could've known her better. She seems like quite a wonderful lady! She will be missed by all whose lives she touched. It is a sad time indeed.
