I am so sorry to hear of the passing of Donna. We both worked for FCPS, transporting and taking care of special needs students. She was a kind, sensitive, caring person and all of the drivers and assistants who knew her, knew how special she was. She will be missed.

So sorry to hear of Donna's passing. I hadn't seen Donna for over 30 years, but remember her fondly from high school. May the love of God comfort and be with all of those she held dear.
