Bethel, even though you are gone away, Your love will always be here to stay. You touched our hearts in so many ways. Our hearts are filled with much sorrow, Now that you are gone, we will remember all our laughs to save for tomorrow. At this time we must let you go. Your memories we will keep a flow. God has provided you a resting place, with peace of mind, at a slower pace. Our jokes, our laughs, the fun we have had, will have to wait for a later date, but you will be able to continue in heaven with our families on that golden/loving race. So, Rest in Peace one of my favorite cousin.
