Jesse had one of the most beautiful, resilient spirits I've ever had the pleasure of experiencing. In my short time of knowing Jesse, I learned so much about the nature and power of kindness. No matter rough the going got especially in terms of things Jesse had no control over, at the end of the day Jesse still remained the warm, charming individual his friends and family always knew him to be. No matter how challenging our time got towards the end, I can't remember one time where I didn't get a hug, laugh, or that signature handsome Brashear grin. Jesse taught me patience and persistence. He was so fortunate to have such an amazing family to support him every step of the way. I'm so sorry I couldn't make it to the service, Jesse played a very special role in my personal development for the better (as I'm sure he did on many) and will always have a special place in my heart. My sincerest condolences to everyone who was apart of Jesse's life. Rest easy, Butch a💎💎i💎💎
