Mrs. Marilyn Ann Holman (née Wines), 44, of Frederick, passed away on June 22, 2018 at Kline Hospice House after a nearly two-year battle with lung cancer. She was the wife of Matthew Holman, with whom she celebrated 22 years of marriage in May. Marilyn was born in Winter Park, FL, the daughter of Richard, Jr. and Carolyn Wines of Mount Airy. She graduated from Linganore High School in 1991, along with her future husband, and they both graduated from Roanoke College in 1995. She also taught Sunday School, most recently at Damascus Road Community Church, of which she was a member. Marilyn also helped establish the IASLC Cancer Care Award, a global award that recognizes outstanding patient care and aims to honor multidisciplinary teams working together to provide the highest quality cancer care. In addition to her loving husband and her parents, Marilyn is survived by four children, Noah, Elijah, Isabella, and Gabriel; sisters, Heather Wines of LA; and Crystal Lemley & husband Mark of Frederick; nephews Beckett, Chase and Cooper Lemley of Frederick; and many friends and other relatives. A funeral service will be held at 2:00 PM on Tuesday, June 26th at Damascus Road Community Church, 12826 Old National Pike, Mt. Airy, MD 21771. It is a testament to Mrs. Holman's loving hand that our daughter, Emma, like so many other GVES students, have proclaimed a love for art since working with her. Several years ago, Emma came home determined to be just like her beloved teacher, and she holds that as a goal still. Your mother, wife, sister, and dear friend was a gift to all of us, who's energy and legacy will continue to ripple. Please find comfort in knowing that the thoughts and prayers of so many are with you, remembering such an amazing woman.

Matt, Noah, Elijah, Isabella, and Gabriel, The service you had for your Mom, Marilyn, was as special as she was. She touched the lives of so many people in her life and it showed everywhere, from the number of people in attendance, to the slideshow, to the kind and thoughtful eulogies from Noah, Matt and Marilyn's sisters. I knew Marilyn was kind and caring but I learned so much about who Marilyn was as a person. She is watching you all with a huge smile on her face knowing how much you and so many others love her. Share her stories every day and she will be with you forever. With all our love, Cindy and Matt

I have tears streaming down my face as I write this note to you. I have two primary memories of working with Marilyn. The first was my first day of school for the 2016-2017 school year. Marilyn was wearing this lovely white sundress that had 'paint splotches' all over it; I introduced myself and told how much I thought the dress was perfect for the art teacher! She said that she just couldn't pass it up when she saw it. We giggled together over how it looked a little like Miss Frizzle's dresses on The Magic School Bus videos! The second was when she returned to school toward the end of the same school year, wearing her head scarves. I'm a breast cancer survivor & we shared how cancer was a part of us, but didn't define us, like we were victims. Instead, cancer was part of what made us strong, incredible women. I guess that's what I want to share with you. It may seem like the cancer won, but it didn't. Cancer was part of who Marilyn was, but not what defined her. Instead, she was defined by her art, her strength, her courage, her ability to love and bring out the best in her students, and, mostly, her incredible love for her family and the pride she felt in her children. That's the most important thing to remember! May God hold you all in the palm of His hand that you may feel of His love and know that Marilyn is now an angel to watch over you all.
