Mark Cardarelli posted:

Armond Cardarelli was my beloved uncle who had strong influence in my life. I lived with him and Florence for a short while, when I attended college in Silver Spring Md. They treated me as one of their own and asked for nothing in return. I gained my interest in dancing after watching him and Florence. He was always positive in his encouragement and direction for my life. Armond and my dad (Joseph Cardarelli) were two peas in a pod, which kept our families laughing and full of love and life. I will miss him, as I do my father. Love you uncle Armond.
