Judi and Lois, I am sad for your loss but I can't help but be happy for your mother to be free of this horrible illness. I like to believe that in death we are reunited with family and friends who have died before us and that we are whole and healthy again. I will miss seeing you at Tranquillity and miss your mother's droll sense of humor; she was a character. Please let me know if you plan a service.

I'll miss my favorite aunt. I haven't seen her much as an adult, but I thought of her often. Many great memories, and she had a great sense of humor.
