So sorry to see "Miss Betty" passed away. I was a nurse at Citizen's Care & Rehab, often assigned to Mr. Stull's (B Wing) unit & had many opportunities to speak with Miss Betty both in person & by phone; I was also the nurse on duty when he passed & the one who called to tell her. I've often thought of her over the years & will always recall her with fondness -- she was one of the most loving & devoted family members I ever had the honor to know in my over 40-year nursing career.

Dear Wayne, Joann, and Family, I enjoyed taking Betty and her sister, Alice, grocery shopping in Frederick. Afterwards we would go out to lunch. Betty was always sweet and kind. Alice and Betty would reminisce about their childhoods, and they always would always find a good story to make us all laugh. I regret that I cannot attend Betty's memorial service due to a previous commitment. I remember Betty's smile, laughter, and the twinkle in her eyes. She will be missed! Please know that you are in my thoughts and prayers.
