I love you Mom! You are the best mother ever! A beautiful person inside and out and it showed in everything you said and did. What an example to follow! I know God is saying Well, done thy good and faithful servant. It gives me comfort to know where you are today and that I WILL see you again! Until that time comes, I will take care of Dad and the family. Following in your footsteps will be hard but an honor! I am a blessed person because of you! Love You!!
