I am so saddened by your mothers passing. I loved her very much and will miss her greatly. She was a wonderful friend. We used to have fun times on our commissary trips and other excursions. We even went to Michigan to your grandparents. I hadn't seen her in a few years since I moved to NC. I'm sorry you couldn't reach me before her memorial service. You all were her pride and joy and she loved all of you so much. May you find comfort in the arms of our Lord and Savior. "Blessed are those who mourn as they will be comforted." Luke 5:4. You are in my prayers and my heart. You have my deepest sympathy. Thank you for taking such good care of her so she could be at home.
