My heartfelt condolences to the Phelps family. The Bible tells us that the man Job lost all his children to death. Like you, Job asked God, "If a man dies can he live again?" (Job 14: 14). Jesus answered Job's question at John 5: 28, 29. This scripture tells us that our loving merciful God has promised to bring our dead loved ones back to life again. What a wonderful blessing from our heavenly Father. For more information about God's blessings visit the website JW.ORG.
