I was sad to hear that Jay passed away. He was one of the first people I worked with when I came to Bechtel in the 70's. He was a great guy and my condolences to the family. Bob Albrecht

Wade, Cindy, Jason and Family, How sad we are for your loss. Ken and Jay met in the 4th grade and have been good friends since that time. After high school we joined the military and picked up our friendship. After a few years we both married "younger women" during the same year and then the next year welcomed our first sons into the world. We have wonderful memories of camping, barber-shop singing, celebrations and just getting together for a meal. You were our dear life-long friend and we will miss you. May God welcome you into paradise and hold you in His loving arms. Heartfelt sympathy and love, Kenny and Pat

I worked with Jay at Home Depot and looked forward to days when he was on the schedule. He always kept it straight and didn't stand for any games. On more than one occasion, he was a great source of knowledge and assistance, he will be greatly missed. Rest In Peace Jay.

We were so very sorry to hear of Jay's passing. Sharon and I worked with Jay at Bechtel for over 30 years. Jay was also a Master Electrician and helped us several times when we had electrical problems at our home. He went through some tough times with Sandy's medical conditions and his son's death, but Jay was always upbeat and willing to tackle any problem head on. He was a terrific guy and will be missed. God bless him!
