I have wondered for months what happened, I Work at halfway Liquors & spoke with him often,he always left the trunk up so I could put his things in. So thoughtful & always told me about his kids. I'm sorry it's been so long since I knew, he already said "I'll see u next time" I was fascinated by him. I am terribly sorry for your loss!

My mother Doris Warden was a neighbor of John's in the Woodlands Apts. until she moved in January. I met John when he moved in a few years ago, a kind and private person. I liked him very much, seeing how independent he wanted to remain and how he never gave up. I didn't know where to send a card to family on y mother Doris' and my behalf. Know we send our sincere condolences.
