I wanted you to know how sorry I am for your loss. When someone has been a part of your life, and is no longer there, the pain is unbearable. I have found that keeping a loved one in our lives, is by telling stories of happier times. The pain never truly subsides, but the days are a little bearable. Even thou, I have not seen Brittany in a long time, I do know she was a beautiful young lady, with a bubbly personality and she will be greatly missed. She is at peace now.....and an "ANGEL" has her wings. Thoughts & Prayers to you and your family.
