Thank you for all of the memories the last 20+ years of friendship. Introducing us to our first DMB concert. Going above and beyond at our wedding. Letting us be a part of Sophia's life. Inviting us to your wedding. All of those fantasy football and Sunday football memories. We will miss you always showing up proudly sporting your Miami Dolphins gear. Good times hopping around downtown Frederick to the best foodie and beverage spots. Your one liners, "some privacy please", and endless laughs making fun of each other. We will miss hearing your childhood Beaufort, SC and lifeguard stories. We will miss you just popping over with Sophia to say hi and hang for bit or giving Nevaeh a hard time about dating lol. We won't be able to drive by Dutches Daughter or walk by Tasting Room without thinking of you. You may be gone now but you will never be forgotten and our memories will be forever. No one can block or take away our memories. You will live on forever in those. Rest easy friend. God bless.
