Saddened to hear this, Nagender mamayya, though he was close relatives in Hyderabad but i first met him in Kolkata and stayed for a week at his home, Prerana was 2 years old i think, he took me to his office in Saltlake city(i think office was skytech ltd) , he arranged some financial help as my ATM card was not working there, he took us Victoria palace, khalighat, and the famous haldiram's restaurant, then in same weekend he flew to USA for better career, after exactly 11 years, ok met him in Cousins house at Ashburn VA, then that next week i have visited his house at maryland , he was always treated like a young friend, guided with his suggestions, sweet memories for ever rest in peace,God give strength to the family.

It's a shocker... I met him when he visited India in December 2021 for his father's obituary. He is not only my classmate but we were together in Kolkata where he shared his joy for being blessed with a baby girl. I still can sense his laugh and his poke when he want me to get something to him.... Nagi . We miss you dear 😭😭😭
