Dear Aunt Charlotte you will be greatly missed. But I know that you are at peace in heaven with Uncle Jim and cousin Robyn. Growing up in such a large close family, all the cousins were interchangeable amongst all the aunts and uncles and I spent as much time as possible at your house in the summer. You were a loving Mom to all of us. Rest in peace dear Aunt. - Love, Pam Stottlemeyer

As I start to share some of my memories, The tears come rolling making it hard to see the words I'm typing. Charlotte ( mom) I felt close enough to her to call her mom"and I truly believe she felt the same towards me. She told me I was her step daughter and there's always a bed there for me.I always enjoyed our time sitting and talking, listening to her life's story, So much history there.And Just like a step daughter I too would get scolded time to time, that I need to stop smoking, or when I'd get ready to head home and it being dark out that I shouldn't be out on the roads by myself, Janet and I both would get scolded for us girls taking too long whenever we went to the grocery store ( Janets Fault lol) .I took so close to her that I felt we had known each other for years, I was made to feel at home and I truly did.Time wasn't on our side, because there wasn't enough time, For the short time I did have with her she has left a forever lasting heart full within me, I will forever cherish.It goes without saying it was a privilege and blessing that I came to know her. Knowing she is with her daughter and husband is what gives me peace in my heart and soul.Love to you mom and your family, May God be with each and everyone of you. Love Sherry
