In Loving Memory of Daniel Kevin Francis

October 21, 1978 - July 23, 2023

With heavy hearts, we announce the passing of Daniel “Danny” Kevin Francis, a loving husband, father, brother, uncle, and son, skilled HVAC technician, and a cherished member of the Walkersville, MD community. Danny left us on July 23, 2023, leaving behind a legacy of generosity, kindness, and dedication to his work.

Born on October 21, 1978, Danny was the beloved son of Kevin and Lynn Francis. From a young age, he displayed a natural aptitude for fixing things and helping others. He pursued his passion for heating, ventilation, and air conditioning, and later went on to establish his own successful HVAC company, which became a testament to his hard work, expertise, and dedication to provide for his family.

Combining his love of baseball and his charitable nature, Danny was a volunteer youth baseball coach for Glade Valley Athletic Association (GVAA) for many years. He also assisted in coaching youth wrestling and softball for GVAA. Throughout his time volunteering he made relationships with and touched the lives of many children and their families.

Danny’s devotion extended beyond his professional life; he was a devoted and loving husband to his wife, Jessica Francis. As well as a very proud and supportive father to his three children, Benjamin, Brianna, and Bailey Francis. Additionally, Danny frequently spent time with his deeply cherished parents, siblings and their children. Danny and his family shared countless treasured memories together, building a strong foundation of love and support that will forever be remembered by those close to them.

Danny is preceded by grandparents Robert and Santina Francis of Rockville, and Thelma and Edward Hess of Milwaukee, Michigan, as well as in-law Deborah Bradley of Walkersville.

Danny, it has been a long time, at least 15 years since you and Derrick came to my house in Towson to help me out with our HVAC. I wish I had done a better job of staying touch with you guys, and now that is just going to have to wait. I have nothing but fond memories of hanging out with you guys, well there is that one time at my house in Thurmont where you scared the shit out of me with your asthma attack. So long brother, I'll see you on the flip side! rest in peace.Chad Orchard
