I have known Peggy most of my life and met Ed in 1995 at Glade ES. I was the AP and worked closely with our custodial staff. Ed had boundless energy, excellent work ethic, a helping spirit and great love for his family. It was with a heavy heart that I read the news of his passing. May he find eternal rest and that Peggy and children find comfort in each other, family and friends.

Will always remember someone who was the picture of integrity, we cherished tables Ed made in high school shop class. They traveled from our homes in Maryland to our homes in Florida. They were made by a craftsman. He is now in glory. Deepest condolences to peggy, and all the family. Bill and carol
