Michelle came into my life when she was 29. We worked together, ate, laughed, cried, and prayed together. She was an amazing person, full of love and laughter, such a kind soul. I was blessed to have her in my life for 20 years. I thank God for that. Scripture states to be absent from the body is to be in the presence of the LORD. With a broken heart I find comfort in knowing one day I will see her again. May the LORD ease the pain of the broken hearts of all the lives that Michelle touched...All my love and then some.
