I remember when I first start working at LANL, Lou would always encourage me in what I did. He was so supportive, even when I left he gave me the best recommendations. We would talk about life, family, and God. We talked about God and how much He loves us, how much of a blessing it was for Lou to have time with his family. Prayers for Mrs. Kummer and family. I will never forget working and most of all talking to Lou. May the peace of God cover you all.

Back a few, Lou was officed in a hole in the wall. Once whilst visiting he showed me his desk drawer where a field mouse was taking advantage of Snickers bars. We had such a laugh. Smart guy. Will be greatly missed. Scott B.
