## Mr. Nelson Cabrera

SEP 23, 1932 - JUL 7, 2024

With a sad heart, the family of Nelson Cabrera shares the news of his passing in Frederick, Maryland on July 7, 2024. Born September 23, 1932, he led a long and simple life striving to always put his family first, loving others deeply, and making people laugh. He is affectionately known by most as “Papi” or “Pop” a name he earned when he became a grandparent some 30 years ago, and found great joy in being. To know our Pop, was to be loved by him. He saw the good in people and was a kind and generous man who wanted for little, yet gave so much. His final week was spent surrounded by those he loved most, his two children, Erica Gillis and Erik Cabrera, his grandchildren, sweet messages and pictures of his three great grandchildren, and many other family members. We know he cherished every moment. Mr. Cabrera will be remembered most for his kind heart, loving nature, and endless devotion to his predeceased wife, Margaret Cabrera. After nearly 50 years apart, they will rest peacefully together where they built their lives in Miami, Florida. The family has decided to hold private services to honor and celebrate his life. For those who want to do something in his memory, the family asks that you cook a meal for your family, look

Brother Nelson, you left behind many broken hearts, including your siblings, Pete, Bill, Joe, Rosie, Tommy, Bobby, Jasmine, Cindy and Sandy as well as nieces, nephews, grandchildren and great grandchildren. The love we had and shared all those years is a testament to the beautiful life you led. The love you had in your heart for all, encompassed your true character and zany personality. The Christmas you bought 6 all new bikes the year I was 12 created a lasting memory. And yes, painting the house and your car lavender to match is forever etched in my heart because my favorite color was lavender. The only thing that makes this bearable is the thought that you are finally reunited with Margie, my sister in law, the love of your life and your parents as well as other family members who are there waiting for the rest of us to arrive. Until then, we will keep your memory alive sharing all those great times and moments. Your Heart of Gold will be missed. Your loving Sister, Rosie
