David Henry Stauffer

FEB 16, 1996 - MAR 2, 2025

David Henry Stauffer, 29, of Frederick, Maryland passed away at his home on March 2, 2025.

David had an infectious loving personality that touched everyone he met. He had a heart full of love, a soul that deeply cared for those around him, and a kindness that never went unnoticed. David's greatest joys in life were his family and loved ones, his love for his nieces and nephews, watching sports with his dad, and spending time with those he loved most. He cherished every moment, no matter how small. He was a son, a brother, an uncle, a friend, and so much more.

David is survived by his parents Michael and Silvia (Aquino) Stauffer and siblings Christopher Stauffer and Lisa (Stauffer) Seik. While our hearts are broken, we know that he is now at peace.

Private services will be held on March 13, 2025. Rest in peace, David. You will forever be loved, and you will never be forgotten.

David was my favorite person, my best friend, the love of my life, and my go-to for everything. He loved to laugh and say goofy things to make me laugh. I am grateful for the last 9 years I got to know David and watching him grow. Thank you Mike & Silvia for raising such an amazing man. He will forever have a piece of my heart and I will never forget him. ☐

I fondly remember David as a bright-eyed preschooler, his face lighting up as he sent the T-ball soaring over my head! His natural talent and passion for baseball were evident from the start, and those early days remain some of my most cherished memories with him. David's infectious smile lit up any room. His resilience and unwavering love for his family were constants in his life. He leaves behind a legacy of warmth, love, and unforgettable memories that we will forever hold dear.

Rest in peace, David This is a really tough one... I just saw you a couple days ago. Both '96 babies, we grew up in the same neighborhood, we had the same classes throughout elementary through high-school, played ball together growing up, and have been in each other's homes...ALWAYS, checked in with me to make sure I got home safe after hanging out too. You will be deeply missed & never forgotten. #WatersideBoys #D1 #SupaStauff #MrWaterside301

"Who do we verse?" I didn't know what that meant. I was David's baseball coach and asked before a game who do we verse it took me a minute and I realized he was asking who we were going to be playing against. When I heard the news the thing that popped in my head was " who do we verse"

I have a memory that comes up on my facebook page of a day when I was watching the Washington Nationals play at Nationals Park and at the same time I was listening to Maryland State play on the Radio. Hearing your name and each strike you threw made me so proud. Uncle Bobby and I will miss you. You were and always will be very special to him ❤️
