Chris was the most wonderful friend anyone could ask for. Chris and I met st Marriott where we were both employed for many years. We became steadfast friends and enjoyed many things together, line dancing, our trips to be beach and our love of Tupperware. Her trip to visit me in South Carolina meant so much to us both. She was loving and was lucky to have two great husbands. Don Miller and Earnest Barnes. She will hold a special place in my heart and I will miss her greatly
