## **Mr. Paul M. Innocenti**

JAN 5, 2025

**P**aul M. Innocenti, age 64, of Monrovia, MD passed away peacefully on January 5, 2025 after a short, but courageous battle with cancer and multiple sclerosis (MS). Paul was a devoted, loving husband and is survived by his wife, Mary Innocenti.

Paul was born in Washington, DC and was the youngest child of John and Mary Ellen Innocenti, both predeceased. He is survived by his four siblings, Donna Innocenti, Theresa Kraus (Frank), Martha Cotterman (Chip), and John Innocenti (Leigh), as well as many relatives and friends who shared in his cheerful spirit.

Paul was an excellent woodworker and cabinet maker; he excelled in his woodshop classes at Springbrook High School. After graduation in 1978, he started his career making custom furniture and then started his own residential and commercial general contracting business in 1981. Paul also worked intermittently for various commercial construction companies as a project manager, but he always returned to his passion of running his own business. He was highly skilled at his trade and was able to build and fix almost anything, so he was affectionately referred to as 'Mr. Fixit'. He had a slogan on his business card that read: 'Building Partnerships' and that is how he interacted with people everywhere he went.

Paul was very kind, easy-going, and welcoming. He treated everyone like a friend and many of his friends, work colleagues, and neighbors became extended family. He loved to make people laugh and always had a funny joke or story to share. He tried to brighten everyone's day and wanted to leave a smile behind when he left. Paul's passing has left a void in the hearts of all who were blessed to have known him.

God must have needed something sturdy and beautiful to be built in Heaven to have called Paul home so soon.

A funeral mass for Paul will be held on Friday, June 6, 2025, at 11:00 AM at St. Ignasius of Loyola Catholic Church located at 4103 Prices Distillery Road in Ijamsville, MD 21754. A private

To My Friend, Paul Since 1974... wow, where did the time go? It feels like yesterday when I first walked into that Jr. High School, the new kid fresh off the boat, feeling like a fish out of water. And there you were, Paul. The first hand of friendship extended to me in this new, overwhelming world. I will never forget that simple kindness—it meant more than you could have ever known. From that moment on, we had a front-row seat to each other's lives. So many years filled with laughter, adventures, goofy inside jokes no one else could understand, and conversations that stretched long into the night about life, dreams, and sometimes absolute nonsense (which, let's be honest, was half the fun). You weren't just my first friend in America—you became my brother by choice. Through all the changes, through decades of life's unpredictable twists and turns, we always found our way back to that same easy connection, that same shared history. Now, as I say goodbye, I choose to remember your infectious smile, your warm heart, and your uncanny ability to make people feel welcome and loved. You made life brighter, my friend. I will carry your memory with me always, Paul. The world feels a little dimmer without you, but I know heaven just got a lot livelier. Rest easy, buddy. Until we meet again. With love, Steuart

To always always put a smile on your face and try to make everyone around you as happy as he was. He always had a way to lighten the mood, always had a great ear for listening, truly a very caring person. He will be greatly missed.

Ahhhhh....we were kids, we laughed, we ran, we didn't have a care in the world. Now, so many years later, you again no longer have a care in the world. I loved ya cousin (2nd cousin) but we were still family. Our bond will never be broken. We will take care of your Mary. ❤️. Rest easy funny man.
