My favorite memories of my uncle Bussy were mostly from all the Putman family reunions and he was always known for bringing the Ice cream. Other found memories are from when we would all gather at Big Granny's house on "Lee Place". We would play cards in the kitchen or dining room and eat peanuts and feed the squirrels and eat produce from his garden. I always loved spending time with our family. You will be missed so much. Love you Uncle Bussy.
