New, Tyler Michael

NOV 12, 1996 - APR 27, 2025

It is with a broken heart that we announce the passing of our son Tyler Michael New, 28 of Rocky Ridge, MD. He passed away suddenly at home on the morning of April 27, 2025. Born at Frederick Memorial Hospital on November 12, 1996, at 4:29pm. Tyler was the center of his mother's world. On August 6, 2013, at the age of 16, Tyler was severely injured in a car accident as a passenger. Tyler was left with an incomplete C7 spinal cord injury that paralyzed him from the chest down. That injury confined him to a wheelchair for the rest of his life. The following year, with the help of his mother, Tyler graduated and received his high school diploma. Tyler's mother was always by his side and devoted her life to caring for him every day. They had a very special bond together. Tyler loved to hunt, target shoot, play Xbox, watch old history documentaries and hang out with friends and family. He especially loved to hang out with his brother (Robert) and play jokes on each other.

For the next several years, Tyler struggled every day with nerve pain and health complications including several bouts of sepsis until sadly he took his own life.

Tyler leaves behind his heartbroken family; his loving parents Kevin & Angela (Flanary) Albaugh, special brother Robert Albaugh and girlfriend Chasity, all from Rocky Ridge, MD. Maternal grandparents Kyle & Sandra Wood of Hagerstown, MD. Paternal grandparents John & Brenda Barron of Harrison, AR. Many special uncles and aunts; Mike Flanary, Ed & Linda Northrup, Alan & Bonny Hurley, Jimmy & Susie Crum and Ryan Harris. Many special cousins; Marissa & Mike Barnett, Luna Barnett, Christina Hurley, Kayla Flanary & Jeff Renfro, Lane Renfro, Gracie Flanary, Adelaide Flanary, Donnie & Kelly Schildt, Kaitlyn Schildt and Thomas Harris. Tyler also leaves behind his best friend of many years, Tevin Young. He was preceded in death by his maternal grandfather Austin (Eddie) Abrecht Jr., great grandmother, Linda (Nannie) Harris and his beloved cat Lucy.

Son, Our hearts are broken but we understand your reason why. At least you are no longer in pain and free to walk again. We will grieve for you every second of every day, until we are joined together with you in Heaven. You will be forever missed and loved by us....until we meet again! We love you!!!! Mom & Kevin (Dad) ❤️🙏

I wrote every word of my Son's obituary so there are no mistakes. J. Michael New abandoned Tyler more than 10 years ago. Haven't seen or heard from him since. Daniel New has only visited Tyler 3 times in the last 10 years. The other family members you are speaking of have never come to visit Tyler in at least the last 10 years. So, show some respect to my Son!! This is not the place for you to be ignorant.

They didn't care and none of you helped with medical or funeral expenses!

Tyler, we will always remember your sense of humor and your kind heart. You had been through more in your 28 years than some people go through in a lifetime, but you had a quiet strength to you that we always admired. We love you and miss you very much. ~ Donnie, Kelly & Kaitlyn

Man i don't know where to begin. I remember sitting at the dinner table talking about how imma get tags for my car next thing i know your throwing an envelop at me with money saying shut up and take it just pay me back. I remember sitting at the dinner table for hours playing board games and card games, or sitting out on the front porch having a drink and listening to music and telling stories. Also when I broke my finger and was losing my nail you wanted to rip it off but it ended up falling off. Who am I gonna send pictures of the Yorkies too that I see at work? There so many good memories with you, I could sit here all day and count them. Tyler we may not have been blood but you are definitely someone I held close to my heart. I love you man. I'll never stop missing you brother.
