I knew Roberto in High School. He was so kind and so funny and a genuinely nice guy. There were very few genuinely nice guys during that time. I loved spending time with him on the phone or running into him in between classes. I am sad I hadn't seen him recently and was unaware that he had health challenges. My sincere condolences to his family.

Roberto was the first person to come over to introduce himself when my son joined the kids soccer team. He was always someone willing to talk and listen and loved his family and friends.

We have such fond memories of Roberto growing up with our son and playing on soccer teams under John's coaching. As an adult, we met again employed at Kaiser. He was always so proud of his family and shared wonderful stories of his children. We saw him as a hard worker and loving family man. We are saddened by the news but know he has found peace in God's loving hands. We send condolences to his family and pray that memories will ease their sorrow as they grieve his loss. In Loving Memory of Roberto. I'm deeply saddened by the passing of our dear colleague and friend, Roberto. His kindness, dedication, and warm spirit left a lasting impression on everyone who had the privilege of working with him. Roberto brought light and calm to every room, and his absence will be deeply felt. He will be truly missed, but never forgotten. My heartfelt thoughts are with his family and loved ones during this difficult time.
