My sister and I, Angela Wills and Susan McElroy, and my partner, Shannon Griffiths, will miss Aunt Betty terribly. Aunt Betty was an extraordinary woman and an unforgettable force of nature. Her love of life made her a presence that was both impactful and unforgettable to anyone who knew and loved her. She took care of her friends and family in any way she could. She left a lucrative contracting professional position in Colorado to move to Florida to take care of her dying sister, Mary. My father, Jim Wills, her brother, was very close to his sister and always laughed at how direct she was with everyone as she never failed to state what she was thinking and what her opinions were! Her energy was unflagging as all of us, decades younger than she, struggled at times to keep up with her and usually left our visits with her headed home with less energy than we started with! Her most unforgettable characteristic, to all of us, was her wicked sense of humor. She had a quick wit and caused uproarious laughter as she made hilarious comments about everything. We will miss you Aunt Betty and please rest assured that as Wills's we will never stop speaking to you and laughing with you.

Betty was my sister-in-law, Jaimie's, mother. She was a very kind person and we enjoyed visiting her. My fondest memory was when she was working at Disney World. When we went to Disney World, she helped us around Disney and made sure we were okay. She definitely made it a magical visit. She will be missed. Love, Lorrie and Brian Whalen
