Lazaros Nemitsas

JUL 4, 1949 - JAN 10, 2026

Lazaros "Laz" George Nemitsas of Walkersville passed away on January 10, 2026 in Mt Airy, MD. He was born on July 4, 1949 in Greece.

Laz grew up on the small island of Hydra, Greece. As a young man, he served in the Greek Army before setting out to see the world, working aboard cargo ships that carried him across many countries and cultures.

He met his soulmate, Alice, while she was backpacking through Europe in 1971 and visited Hydra. In 1972, he came to the United States on a marriage visa. They married in December 1972 and were together for 53 years, raising two daughters. He became a U.S. citizen in 1996, a moment he regarded with great honor.

For 45 years, he owned and operated a house painting business, New Market Decorators, earning a reputation for dedication and integrity. Known as a true social butterfly, he loved to drive around town in his infamous "orange paint van" and made friends everywhere he went. His natural charisma, charm, and love of laughter brought joy to many people. He loved to dance and make others smile.

A devoted gardener, Laz once cultivated over 200 rose bushes in his backyard and enjoyed attending rose shows to display them. He earned a black belt in Karate, was a classic car enthusiast—especially proud of his 1979 Trans Am—and enjoyed collecting baseball cards and antiques.

His life was defined by love, laughter, hard work, and connection. He will be remembered for the warmth he brought into every room and the lasting impression he left on all who knew him.

He is survived by his beloved wife, Alice Nemitsas of Walkersville, MD; his two daughters, Irene Nemitsas of Frederick, MD and Helen Cullen (Clinton) of Pasadena, CA; his brother, Jiannis Nemitsas of Hydra, Greece; and his sister, Miranda Nemitsas of Sydney, Australia. He is also

It's hard to choose a favorite memory, but the one that keeps coming back is Laz's relationship years ago with our very old and quiet and not-exactly-cute dog Bessie. Most people found her easy to ignore or overlook, but even when Laz was busy painting, every time they were near each other he would stop and bend down and gave her his big warm smile and call out to her "Bessie-moo!" (Greek for "Bessie mine!" or "My Bessie!")and make her and our day.

We have wonderful memories of Laz sharing life lessons with my children while painting - with his wonderful sense of humor and nothing-is-off-limits conversations. My mother adored both Alice and Laz. Our prayers are with all of you.
