# Timothy Edward Lynn

AUG 24, 1956 - APR 3, 2026

**T**imothy Edward Lynn, 69, of Tampa, Florida passed away peacefully at home on April 3, 2026, surrounded by the comfort of the life and love he built, after a hard-fought battle with cancer.

Tim was born on August 24, 1956, in Maryland to Don Lynn and Jane Angell Miers, and spent his early years growing up in Thurmont. Those who knew Tim would tell you he was always full of energy, curiosity, and a spark that drew people in; a trait that stayed with him throughout his life.

He followed many different paths over the years, never afraid of hard work or new opportunities, but spent much of his career in property management in Montgomery County, Maryland. No matter what the job, Tim gave it his all. He believed in showing up, lending a hand, and doing things the right way a work ethic that earned him respect everywhere he went.

To describe Tim by his work alone would miss the heart of who he truly was.

Tim was, above all, a family man a devoted husband, proud father, beloved “Papi,” and loyal friend. He had a way of making life feel lighter and more joyful. Whether he was playing a game of pool, out on the slopes skiing, camping under the stars, or cruising around Tampa Bay on his boat, Tim found happiness in the simple pleasures. After his retirement, he and his wife Mary shared a deep love for nature, taking long walks, watching birds, chasing sunsets, and even raising butterflies. These examples show his quiet reflection and appreciation for life’s small wonders.

Then, there was his humor.

Tim had a gift for laughter. He could walk into a room and, before long, have everyone smiling and laughing. He was the life of the party, the storyteller, the one who made strangers feel like old friends. He had a way of connecting with people that was genuine and effortless, because at his core, Tim simply loved people. To know him truly was to love him.

How I wish, how I wish you were here  
We're just two lost souls swimming in a fishbowl,  
year after year  
Running over the same old ground  
What have we found?  
The same old fears  
Wish you were here – Pink Floyd
